

Love is a symbol of eternity.  
It wipes out all sense of time,  
destroying all memory of a beginning  
and all fear of an end. Love you forever.

My days are filled with yearning;  
My nights are full of dreams.  
I'm always thinking of you;  
I'm in a trance, it seems.  
You're all I ever wanted;  
I wish you could be mine;  
And so I have to ask you:  
Will you be my Valentine?

You've given me a reason  
For smiling once again,  
You've filled my life with peaceful dreams  
and you've become my closest friend.

You've shared your heartfelt secrets  
And your trust you've given me,  
You showed me how to feel again  
To laugh, and love, and see.

In School, They Taught Me That  
1 hour = 60 Mints  
1 Min = 60 Secs  
But They Never Told Me That  
1 Sec Without You = 100 Years.

Sun is rising,  
Moon is shining,  
Stars are shimmering,  
But nothing is beautiful like you,  
Happy Valentine's Day My Love!

Smile today. it makes a beautiful day!  
enjoy today. it makes a joyful day.  
love today. it makes wonderful everyday.  
Wish you a Happy Valentines Day!

I have a pair of eyes but cannot see you everyday.  
I have a pair of ears but cannot hear your voice all the time.  
but i have only one heart that cares for you all the time.  
Happy Valentines Day

When you love someone, it's nothing.  
When someone loves you, it's something.  
When you love someone & they love you back, it's everything!

Love unlocks doors  
and opens windows  
that weren't even there before.  
Happy Valentine's Day

My current status:  
Wanted by many;  
Taken by none;  
Looking at some;  
But waiting for one.  
And you are that one!  
Happy Valentine's day!

My eyes are blind  
without your eyes to see,  
Like a rose without color.  
Always be there in my life sweetheart.

You are the twinkle of my eyes;  
The smile on my lips;  
The joy of my face;  
Without you I am incomplete.  
Happy Valentine's Day

Love is too weak a word  
for what I feel for you.  
One life is too small a time  
to express how madly  
I am in love with you.

"True love is like little roses,  
sweet, fragrant in small doses."
